

Celebrating 30 Years of Community Support for Future-Focused Students

As Executive Director, it is my privilege to bring together donors and sponsors to serve the students in Saline schools. In 2017/18, the Foundation's 30th year, we provided \$120,000 in funding for teacher, building, partnership and student-led grants. Every dollar was used to enhance the educational experience of our students. Thanks to YOU, the Foundation is Future-focused, looking forward to a strong year ahead. — Annherst Kreitz, Executive Director

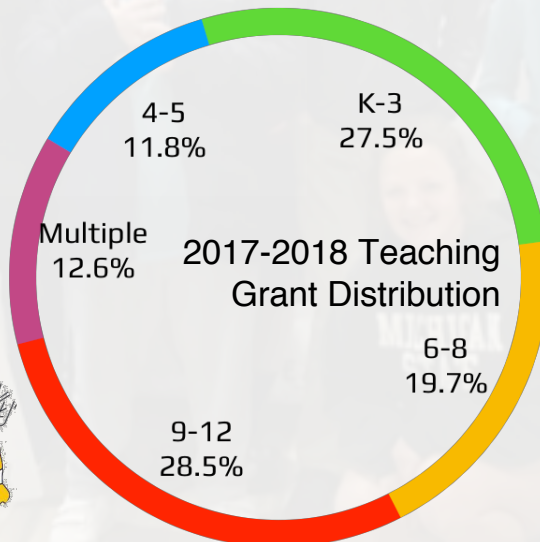

#FSASGrants

Grants Distributed 2009 - 2018

"Ozobot EVO helped bridge the gender gap in our classroom by encouraging girls to explore the STEAM fields, and it inspired future artists & engineers in our class as a whole."

-Heritage 5th Grade Teacher

Sources of Income

Growth in Net Assets

"We loved being involved in the grant process because it was really cool to have our views and interests for the school considered!

When people see the kindness rocks garden, it gives them a daily reminder to be happy, laugh often, and spread kindness."

-SHS Connecting Club members Ellie & Isabel

We are so grateful for the continued support of the community; from the growing corporate sponsorship program, to the enthusiastic support of our fundraising events and all of the individual giving in between. It is this generosity that positions us to support even greater opportunities for our Saline Area Schools staff and students in the year ahead, as well as grow our net assets to ensure a sustainable future for the Foundation and the district.

- Katie Murphy, President
